

**PMA membership renewals are now open, with a Flexible Payment Option
We are now working in a new world with Covid19**

Due to the unprecedented times we are currently experiencing we appreciate membership of the PMA may not be your top priority, however as a Committee we are working behind the scenes on your behalf on a number of key issues and we will continue to provide updates to our members via LinkedIn. Being a member and working collectively with other retailers has never been so important. We have events in the diary for later in the year and we shall keep you updated on these but please look at our website: www.propertymanagersassociation.com.

We are also in the process of setting up some online CPD Seminars and we shall advise of these in due course.

Due to the uncertainty we are all experiencing currently, we are giving members the option to either:

Pay their membership in full

Pay a quarterly membership fee

Defer your membership for three months until 1st July

To **complete your renewals** please log onto the PMA membership System, click your name on the top right hand of the screen and click the little box that says renewals. First select who will be the full member on the membership and then select all the Associate members. Then follow the steps on the screen or refer to our online "How to Guide" on the membership portal.

As previously advised, we are not putting our membership fees up this year. They will remain at £300 plus VAT for a full Member and £85 plus VAT for an Associate.

We are also launching the opportunity for younger people within your organisations to get involved and are introducing our new **"Property Managers Young Associate Membership (PMYA)"**. The cost of this is £50 plus VAT.

To Qualify as a PMYA member you will need to be either:

Graduate trainees or Up to 5 years post qualified

Max term 5 years

Year of RICS Qualification is required for all applicants

All companies will need to have one assigned Full member and can have as many Associate members as they like. We also accept members whose roles include in-house rating/service charge/management & rating legal teams

You will need to advise us of which option you wish to take once logged in and remember to tick the relevant box to meet the GDPR regulations implemented in 2018. This will enable us to update our system so you can remain a member and have access to the membership database online and receive updates via our e-news and LinkedIn page.

Should you wish to **join the PMA** please email louise@srevents.co.uk for will be able to offer you further information and provide you with application forms.

Please do engage with us and use the PMA as an opportunity to voice your opinions via our social media links and of course via email. For further information, please contact us via phone or email: louise@srevents.co.uk
